

Stephen Colvin is the President and CEO of Dennis Publishing Inc., publisher of four successful magazines: Maxim, Blender, Stuff and The Week. In under 10 years Dennis Publishing has grown from a staff of one to a staff of 300 with activities in publishing, digital, bricks and mortar, television production and product brand extensions.

The digital division, Dennis Digital, was created in 2005 by merging the already thriving internet and mobile businesses. It is now the fastest growing division with 50% revenue increases in 2006 and even greater increases expected in 2007.
