

# HUNGRY FOR FOOD TIPS YOU CAN TRUST?

**MAGAZINE  
MEDIA**  
**Better. Believe It.**

With half-baked blogs and food fails galore, more Americans than ever are trusting mealtime to magazine brands.

In print, online, on mobile and video, they serve up triple-tested recipes and verified diet tips. No other media is more inspired, trusted or engaging. With an audience of 1.8 billion, magazine media delivers the authority and safe environment everyone hungers for.
